### NET IN-PROGRESS (Repeat during net)

This is the \_\_\_\_\_ ( Name of Event )

I am \_\_\_\_\_ ( Your callsign )

My name is \_\_\_\_\_ ( Your name ) and I am your net control.

We are operating this event as a controlled net which means, please do not transmit unless directed to do so by net control. All other amateurs are respectfully requested to keep this frequency clear so we can provide safety and welfare. This net will conclude at approximately \_\_\_\_\_ (Time) \_\_\_\_\_.

### EMERGENCY TRAFFIC ADVISORY (Repeat during net)

If you should have an emergency during this event, please follow the procedure of using "break - break" - followed by your call sign and then unkey. Net control will recognize your station and assist you with

your emergency. An emergency is defined as a situation where life or property is in imminent danger or a situation presents a threat of serious injury.

### "THANK YOU" (Repeat during net)

We want to thank those hams that normally use this frequency for standing by and allowing us to perform this safety communication operation. We recognize that you are operating on other frequencies to allow us to perform our safety and welfare role for this event. The sponsors and participants appreciate your cooperation and your willingness to allow amateur radio to serve the community in this manner. - Thank you.

### CLOSE OF NET
